"At the conference we learned how to bless each other as a family. At our next family devotion time, we developed our first family blessing ritual. It was a very holy moment for our family that brought us closer together. You don't have to be a pastor to bless one another."

*Carol Holmes, Parent
Minneapolis, MN*

"From the moment St. Paul's Episcopal Church made first contact with Vibrant Faith Ministries five years ago, our ministries have been marked by vibrancy and depth. The Vibrant Faith Conference and Congregational Trainings, and participation in outstanding Summer Leadership Conferences have had a tremendous impact on St. Paul's ministries. We have become more attuned to cross-generational "milestone ministries" that engage the entire church in the living waters of baptism. It's not that the team at Vibrant Faith Ministries are doing anything radically new. They are doing the very ancient, in fresh and vital ways. It is exciting and filled with Gospel power!"

*Chip Stokes
St. Paul's Episcopal Church
Delray Beach, FL*

"I have found the Vibrant Faith training event to be an inspirational vehicle for introducing pastoral and lay staff to the cycle of faith—from heart to lips to ears to heart—and to the importance of maintaining that cycle for generations to come. A Vibrant Faith event helps people find the keys to their faith in Jesus Christ, so they can drive it home and show their family and friends how this faith carries them through life."

*Rhonda Hanisch
